

Where Your Tax Dollars Go

The City of Garden City collects tax for many different governments, as well as our own. We consolidate those tax assessments on your summer and winter bill for your convenience, and send the money we collect to the other government bodies. Only 30% of your tax bill stays with us to support City services.

Where Your Tax Dollars Go

The City of Garden City collects tax for many different governments, as well as our own. We consolidate those tax assessments on your summer and winter bill for your convenience, and send the money we collect to the other government bodies. Less than half of your tax bill stays with us to support City services.
