Partisan Section Continued - Vote Only 1 Party Section		Proposal Section Continued
↓		Garden City Public Schools Operating Millage Proposal
Democratic Party Section	Republican Party Section	This proposal will allow the school district to continue to levy the statutory rate of not to exceed 18 mills on all property, except principal residence and other property exempted by law, required for the school district to receive its full revenue per pupil foundation allowance and restores millage lost as a result of the reduction required by the Michigan Constitution of 1963. Shall the currently authorized millage rate limitation on the amount of taxes which may be assessed against all property, except principal residence and other property exempted by law, in Garden City Public Schools, Wayne County, Michigan, be renewed by 19.1786 mills (\$19.1786 on each \$1,000 of taxable valuation) for a period of 5 years, 2024 to 2028, inclusive, and also be increased by .5 mill (\$0.50 on each \$1,000 of taxable valuation) for a period of 5 years, 2024 to 2028, inclusive, to provide funds for operating purposes; the estimate of the revenue the school district will collect if the millage is approved and 18 mills are levied in 2024 is approximately \$3,384,056 (this is a renewal of millage that will expire with the 2023 levy and the addition of millage which will be levied only to the extent necessary to restore millage lost as a result of the reduction required by the "Headlee" amendment to the Michigan Constitution of 1963)?

Democratic Party Section	Republican Party Section	Garden City Public Schools Operating Millage Proposal
<b>County</b>	<b>County</b>	This proposal will allow the school district to continue to levy the statutory rate of not to exceed 18 mills on all property, except principal residence and other property exempted by law, required for the school district to receive its full revenue per pupil foundation allowance and restores millage lost as a result of the reduction required by the Michigan Constitution of 1963. Shall the currently authorized millage rate limitation on the amount of taxes which may be assessed against all property, except principal residence and other property exempted by law, in Garden City Public Schools, Wayne County, Michigan, be renewed by 19.1786 mills (\$19.1786 on each \$1,000 of taxable valuation) for a period of 5 years, 2024 to 2028, inclusive, and also be increased by .5 mill (\$0.50 on each \$1,000 of taxable valuation) for a period of 5 years, 2024 to 2028, inclusive, to provide funds for operating purposes; the estimate of the revenue the school district will collect if the millage is approved and 18 mills are levied in 2024 is approximately \$3,384,056 (this is a renewal of millage that will expire with the 2023 levy and the addition of millage which will be levied only to the extent necessary to restore millage lost as a result of the reduction required by the "Headlee" amendment to the Michigan Constitution of 1963)?

↓		Garden City Public Schools Operating Millage Proposal
Democratic Party Section	Republican Party Section	
<b>County</b>	<b>County</b>	This proposal will allow the school district to continue to levy the statutory rate of not to exceed 18 mills on all property, except principal residence and other property exempted by law, required for the school district to receive its full revenue per pupil foundation allowance and restores millage lost as a result of the reduction required by the Michigan Constitution of 1963. Shall the currently authorized millage rate limitation on the amount of taxes which may be assessed against all property, except principal residence and other property exempted by law, in Garden City Public Schools, Wayne County, Michigan, be renewed by 19.1786 mills (\$19.1786 on each \$1,000 of taxable valuation) for a period of 5 years, 2024 to 2028, inclusive, and also be increased by .5 mill (\$0.50 on each \$1,000 of taxable valuation) for a period of 5 years, 2024 to 2028, inclusive, to provide funds for operating purposes; the estimate of the revenue the school district will collect if the millage is approved and 18 mills are levied in 2024 is approximately \$3,384,056 (this is a renewal of millage that will expire with the 2023 levy and the addition of millage which will be levied only to the extent necessary to restore millage lost as a result of the reduction required by the "Headlee" amendment to the Michigan Constitution of 1963)?
