RENTAL REGISTRATION AND INSPECTION POLICY FOR PROPERTY OWNER

Anytime a home is rented by the property owner to a tenant, under definition 153.01 of the city ordinance, the property must be registered with the City as a rental. Rental dwellings shall not be occupied without a rental certificate. Failure to obtain rental registrations before renting or leasing a dwelling may result in civil fines set forth by The Municipal Civil Infractions Ordinance, Chapter 41, §41.06, Code Section 153.02.

Rentals that were certified shall complete re-registration and compliance inspections prior to the current expiration date.

Once application has been submitted with the Ordinance Department, property owner must schedule an initial inspection of the property within **15 business days with the Building Department**. All listed violations must be corrected and pass reinspection within **90 Days** of original application date. Failure to comply within the **90 Day** time-period will be a violation of Chapter 153: Inspections.

SUBMIT COMPLETED APPLICATION AND FEE

- \$150.00 registration & \$200.00 inspection fee must be submitted with a complete application prior to the scheduling of any inspections.
- Property Owners, management company, or listing real estate agents may schedule an inspection by completing the Rental Registration Application (**if management company is not the owner of the property, a copy of a broker's license or real estate license must be submitted along with application. State of Michigan Article 25, Act 299**)
- Includes (2) inspections
- Each subsequent inspection = \$35.00
- Incomplete applications will not be accepted and will be mailed back to the applicant.

SCHEDULE INITIAL INSPECTION OF PROPERTY (must be done within 15 days of submitted application)

- Inspections are performed Monday through Friday, 9am to 4pm
- Property owner can choose morning or afternoon time blocks.
 - Morning: 9am – 12pm
 - Afternoon: 12pm – 4pm
- A typed copy of the violation list will be available at the building department after 11am the following business day after the inspection.

PREPARING FOR YOUR INSPECTION

- Make sure all areas of the house and garage are accessible for the inspector. (Inspector will not move furnishings, personal items, or appliances)
- Clean up exterior yard and property. Cut the lawn, trim overgrown bushes, and shrubbery.
- Remove trash, debris, and non-useable items throughout property.
- Repair broken or hanging shutters, awnings, light fixtures, etc.
- Loose siding, chipped and peeling paint is not acceptable for the house, garage or shed.

- Make sure fences are repaired, painted and in good condition.
- Sidewalks are installed
- Windows must be property glazed and sealed.
- Replace missing storm windows or screens, doorknobs, or handles.
- Check for leaking or dripping water supply lines and shut-off valves throughout the house.
- Smoke detectors are required to be installed in each room used for sleeping, outside each room used for sleeping and in each story of the dwelling – including the basement. Smoke detectors shall be installed per manufacturer’s specifications.
- Ground-fault interrupter outlets (GFI’s) are required to replace existing outlets in bathrooms, existing outlets within six feet of kitchen sink, existing wall outlets in the garage and on the exterior of the property.
- Vacuum breakers, also known as backflow prevention devices, are required on laundry tubs and outdoor waterspouts.
- Outlet and light switch plate covers are required over all electrical switches and outlets. (Many people forget to replace them after painting)
- Handrails are required on stairways with three (3) or more steps.
- Basement stairs must be enclosed by a guardrail or wall. (Children and pets have been known to fall off basement stairways because proper guardrails are not present)
- Certificate from a licensed heating contractor must be submitted that indicates the heating unit was inspected and is functioning properly. The invoice or certificate must have the technician’s signature and license number. The invoice/certificate must be dated within the past 6 months of submittal.

CORRECT ALL VIOLATIONS

- Violations and inspection must be scheduled within **15 Days** of initial application date.
- All extension requests must be in writing to the Building Official and must be submitted prior to expiration date. An extension will not be granted if violation list has expired.
- All violations listed on the inspector’s report must be completed for a rental certification to be issued.

SCHEDULE RE-INSPECTION OF PROPERTY

Call (734) 793.1650 after all items on the inspection report have been corrected or repaired. A re-inspection is required to ensure that all noted violations have been corrected and all repairs have been made.

Additional items may be noted during the re-inspection if they are health and/or safety related.

- Inspections are performed Monday-Friday, from 9am-4pm
- Applicant can choose morning or afternoon time blocks
 - Morning 9am-12pm
 - Afternoon 12pm – 4pm
- If the final inspection is not approved, additional re-inspections will need to be scheduled as work is completed until a full approval is obtained.
 - Each re-inspection includes a \$35.00 re-inspection fee as mentioned above.
- Full approval includes the submission of the following documents.
 - Proof that a licensed mechanical contractor inspected and certified the furnace. Certificate must be dated with the past 6 months of submittal.
 - Statement from Water Department showing water bill has been paid in full.

TO CANCEL OR RE-SCHEDULE AN INSPECTION

Call (734) 793.1650 if you must cancel your scheduled inspection, please provide at least 24- hour notice for cancellation. If appointment is cancelled on the scheduled appointment day, a \$35.00 fee will be charged.

RENTAL CERTIFICATION ISSUANCE

- Once full inspection approval is obtained, a rental certification can be issued by the Building Official.
- Rental certification is good for 3 years from date of application.
- Temporary Rental Certifications may be issued from November through the end of March. These dates may change depending upon weather and must be approved by Building Official.
- All Temporary Rental Certifications will expire by June 1st.
- Temporary Rental Certifications will only be issued for flat work and outside painting.
